Jared Masterson – User Experience Designer

iamjared.co | 801.678.3134 | jmasterson133@gmail.com

ABOUT ME

I create order out of chaos through brilliant design by turning complex requirements into intuitive, efficient, and beautiful interfaces.

WORK EXPERIENCE

2014 - Present
UI/UX Designer V - Sirsidynix

UI/UX Designer IV – 2018 - 2022
UI/UX Designer III – 2016 - 2018
   - Double promotion due to exceptional merit.
UI/UX Designer I – 2014 - 2016

The software I designed connects over 300 million people with information and resources at more than 23,000 academic, public, school, government and corporate library facilities in over 70 countries.

I performed user interface and user experience design work including requirements gathering, information architecture, wireframing, low and high fidelity mockups, prototyping, and user testing. I worked on 10+ different released products.

2013 - 2014
Software Engineer I - Sirsidynix
Full stack development with an emphasis on front end coding. Tools included Extjs, NPM, Grunt, Jersey, Apache, Hibernate, and Quartz.
